McKnight Crossings Youth Group Newsletter

6/29/2026 - 7/6/2026

Happy Monday MXYG Family! We had a great week at camp last week and are recovering well I hope. We're just about done with June, but we have a lot of good stuff coming up in July. The high schoolers leave for our biggest event of the year this Saturday!

HS Mission Trip registration deadline has passed, but we still have room. Please speak with me if you're considering going to Nashville!

Tithely Church App

We are starting the process of moving from Church Center to Tithely. In the next few weeks, everything we do on Church Center (parent group chat, event registration, etc.), will be done on the Tithely App. **Please go ahead and start to download the app and get signed in!**

The Koinonia Retreat registration is now live and is on Church Center, but will only provide a link to the registration form on Tithely (to help you practice registering for events there — and help me see what I need to fix/work on).

My plan is for the Coffee Crawl to be the final event to register for on Church Center, and begin moving over to Tithely for everything else.
