ACTS Campus Ministry – Information for the Elders

After prayerful consideration, Katie Holloway has decided to step-down from the role as full-time director of ACTS. This will take place in December of 2026 at the conclusion of the fall semester. Until that time, Katie will continue in the role of director, and the ministry will continue as usual – with all the regular events, Bible Studies, and intentional outreach focus. We ask that this information remain confidential until the times outlined in the below cadence of communication.

This decision was not made due to any malice, ill-will, or sin, but with prayerful consideration and continuing love for college students and the ACTS Campus Ministry. Katie has served as a mentor since 2013 and began her role as Director of Campus Ministry in August of 2021. Her and Trevor have been blessed beyond measure by experiencing what God is doing with ACTS and remain extremely hopeful for the future of this ministry that God has been using to bless the kingdom for the past 30 years. While they firmly believe that God is calling Katie in a different direction personally and professionally, both Katie and Trevor look forward to continuing to serve college students through the ACTS ministry and in any other way God calls them.

Following these announcements a public job search will be launched by the ACTS Campus Ministry Committee and we will continue to update everyone as we walk thru the transition in community.

What happens next

We are coordinating communication so that students, supporters, and our churches hear this news in a thoughtful way, beginning with the students who are most directly connected to the ministry:

- **Friday, September 11:** Katie and Trevor will share the news with students.
- **Saturday, September 12:** ACTS will communicate with its alumni and supporters.
- **Sunday, September 13:** We're asking each supporting church to share the attached announcement with its congregation.
- **Week of September 14:** The ACTS Campus Ministry Committee will launch a public search for the next Director of Campus Ministry.

What we are asking from you

Most importantly, **please share the attached announcement with your church on Sunday, September 13**. A few other ways you can support ACTS during this transition:

- **Pray** for Katie and Trevor, the students, the mentors, the ACTS Committee, and the search for the next Director.
- **Refer qualified candidates** for the Director position to a member of the ACTS Campus Ministry Committee (we will share the job posting once published).
- **Continue encouraging members of your church to serve ACTS**, particularly through meals and Friday-night volunteering via the ACTS Meal Train.
- **Continue your church's financial support of ACTS** as we enter this next season.

We are tremendously grateful for your church's support of ACTS over many years, and for your prayers, partnership, and continued investment in this ministry as we enter this next chapter. Please reach out to me or any member of the ACTS Committee with any questions.

ACTS Campus Ministry – Church Announcement

After prayerful consideration, Katie Holloway has decided to step-down from the role as full-time director of ACTS. This will take place in December of 2026 at the conclusion of the fall semester. Until that time, Katie will continue in the role of director, and the ministry will continue as usual – with all the regular events, Bible Studies, and intentional outreach focus. Katie and Trevor have been blessed beyond measure by experiencing what God is doing with ACTS and remain extremely hopeful for the future of this ministry that God has been using to bless the kingdom for the past 30 years. While they firmly believe that God is calling Katie in a different direction personally and professionally, both Katie and Trevor look forward to continuing to serve college students through the ACTS ministry and in any other way God calls them.

As ACTS enters into its next season, the ACTS Campus Ministry Committee will begin a public search for the next director.

We're asking for your help in the following ways: Please pray for Katie and Trevor, the students and mentors, and the search for the next director. Please continue supporting ACTS through Friday night meals and volunteering, if you are able. And, if you know of someone who may be a qualified candidate for the director position, please let [Name of your church's ACTS Committee Member] know. A job will be published over the coming days.

The ACTS Ministry is tremendously grateful for your support over the years and is eager to see how God continues to work through this ministry. Thank you.
